

40th Anniversary
Centro
Sri Aurobindo
e Mère

January 29, 2026
40th Anniversary of the Foundation of the
"Centro Sri Aurobindo e Mère" in Italy

On this special anniversary, I wish to share a few important thoughts, essential for all of us.

First of all, let us give thanks to Sri Aurobindo and The Mother, who have touched our hearts and have patiently guided us, step by step, toward the realization of our Gnostic Community.

Each one of us is continuously supported and guided toward our own Self-Realization. The more we turn toward Sri Aurobindo and The Mother, the more we are sustained, directed, comforted, and driven toward a UNITY of purpose and will.

Since February 29, 1956, a Force has been guiding all of humanity toward the realization of the Supramental Consciousness. This Force will enable humankind to live through an intimate Consciousness of UNITY and mutual exchange; the personal ego will be abolished, and the Supramental Truth will reign upon this earth of ours, finally UNITED and HAPPY.

Happy Anniversary to everyone
WISHING YOU ALL A GOOD REALIZATION
